1. Welcome

The Vice Chair welcomed everyone to the meeting and informed the Partners that two items from the Agenda requiring partnership approvals would now be addressed at the beginning of the meeting due to the unforeseen delay in starting/finishing the meeting.

2. Apologies & Roll Call

See Appendix A

3. Conflict of Interest/Respect & Dignity Statement

The Vice Chair read out Statement, no conflicts of interest were declared.

4. Minutes of Previous Meeting

The Vice Chair referenced previous minutes.

Approved as a true and accurate record.

Proposed by: A Schenning

Seconded by: P Crossley

5. Matters Arising from Minutes

The Vice Chair asked the Members for any matters arising. None were raised.

6. Actions from Previous Meeting

The Vice Chair read out the Actions for response:

a) Regular feedback from Capital Working Group meetings will be brought to Partnership meetings along with plans and budgets which are likely to change between meetings – LHa will provide Capital updates as per Agenda order however updated plans and budgets are currently unavailable due to time of year/staff holidays.

b) Partners to share re-advertised tenders with connections/networks/organisations who may be interested in applying – LHa reminded the partnership there is still opportunity to apply for the Development of Mountsandel Tender, closing on 26th August, should they know of anyone to share it with.

c) Partners to send photos and narrative of attended project events to CMcI – one received to date.

7. General Updates

- New Chair and Vice Chair – LHa gave an update on changes:
  - Cllr Tanya Elder will be taking on the role of Chair from Cllr Dermott Nicholl following election via the D'hondt method, thanking Cllr Nicholl for his services to the Partnership and welcoming Cllr Elder to the post.
  - Appointment of Vice-Chair: An Expression of Interest Email will be sent to the Social Partners to self-nominate in September after which the remaining Social Partners will be asked to vote on the nominees.

8. Partnership Development Programme

LHa has liaised the International School of Peace Studies to investigate a potential "Partnership Development Programme" with Cavan County Council. The project will consist of participation in 2 workshops (late 2026 and early 2027) to explore the complex tapestry of our shared past & present through a peace and reconciliation programme, leading to a joint trip to Belgium in early June 2027 for the 110th anniversary of the Battle of Messines on 7th June.

AS noted that the current 3 year term for Councillors will be coming to an end, some of whom may not be returned in June and that earlier in the year, mid to end March, would be better suited as it would also be before the period of being in purdah (commencing start of Apr 2027).

The Vice Chair agreed to scheduling it earlier as it would be disappointing if the current longer standing PEACEPLUS Partnership members would not be in a position to avail of the opportunity.

CONFIRMED

Action: LHa will have a look at other potential dates and will also approach Cavan County Council for interest. She will share potential dates with the Partnership in due course.

9. Possible Project Summaries *(brought forward on Agenda)*

LHa brought the Partnerships attention to the fact that despite three attempts to tender, three of the PEACEPLUS LAP programmes did not receive applications (LGBTQIA+ Programme; Teanga & A Wheen O Wurds; Multi Cultural Dimensions – Food, Arts, Crafts, Music and Dance).

LHa proposed potential of replacing these with new Projects for tender using the unspent budget of £386,577 to reach over 685 Participants, either with 2 projects (bigger funding for each) or 3 projects (smaller funding for each). CMcI gave a brief summary of each of the new proposed Projects:

> Ending Violence Against Women and Girls: The Digital hub: a centralised digital hub to support women and girls across the borough to access information, support services, and educational resources relating to violence, abuse, and harmful behaviours. The Digital Hub will act as a single, trusted access point for signposting, awareness raising, and learning, bringing together statutory, community, and voluntary sector resources in one accessible platform.
>
> Addressing the Digital Divide: It will support individuals and communities across the borough to overcome digital exclusion by addressing the five key factors required to tackle digital poverty: devices and connectivity, access, capability, motivation, and support and participation.
>
> Digital Beats: Inclusive Music & Technology: The Digital Beats Programme will support children, young people and young adults with Special Educational Needs (SEN) from across the borough to develop confidence, creativity, communication and cross-community relationships through digital music production and accessible music technology.
>
> Harmony: It will use the power of singing to improve mental health, emotional wellbeing, physical health and cross-community relationships by bringing together people from different backgrounds in a welcoming, supportive and inclusive environment.
>
> Flavours of Causeway: It will use the unique food heritage of the Causeway Coast and Glens to strengthen relationships between communities while celebrating the Borough's growing reputation as one of Northern Ireland's leading artisan food destinations.

More detailed information sheets were provided to the Partnership who were given time to review and ask questions.

CMcI opened the online voting to select:

a) A preference for two larger projects or three smaller projects (in terms of monetary value); and
b) Their top three preferred projects

Results: 78% voted for ***two*** projects for tender, ***"Harmony"*** and ***"Flavours of Causeway"***

11. PEACEPLUS Membership - Project Partnership Representatives

CH introduced himself to the Partnership and that he will be taking responsibility in approaching Partners regarding their engagement with the Delivery Agents and Projects in order to collate these for the Partnership Meetings.

CH asked Partner BC to give feedback to the Partnership on her recent visit to Broughgammon Farm (also attended by Partners DB and PC) to an event carried out with Delivery Agent's Causeway Coast and Glens Heritage Trust as part of their Nature and Environment programme. BC attended the "Tales & Tatties" session because of her love of food and traditions. The visit enabled the two school groups to interact and engage with each other over learning about the animals, their habitats and the food from the farm.

CH shared the latest version of the Calendar of Events and re-confirmed that Partners should be reaching out to their allocated Programmes for potential attendance to their events. A reminder of these allocations can be found in Annex C of the Partnership Meeting Minutes.

Partners will use this Agenda slot going forward feedback in person to the partnership.
