1. Introduction.

The Business Start Up Seed Fund Bursary has been developed to help residents in the borough start new businesses with a bursary of up to £1,000 to purchase up to 8 essential items they need to help get their business started.

This bursary is aimed at all people aged 18 and over, who are not working, are underemployed, or at risk of redundancy (evidence will be required), permanently resident within the Causeway Coast and Glens Borough Council area and with a legal right to work in the UK.

You may find it helpful to discuss your application with a member of the LMP team before submitting:

Please contact the Labour Market Partnership Team on:

Email: LMP@causewaycoastandglens.gov.uk Phone: 028 7034 7034

1.1 Purpose of grant programme.

Causeway Coast and Glens Labour Market Partnership (LMP) is a DfC funded programme established to address key challenges in the local labour market. The programme aims to improve employability outcomes and labour market conditions locally by delivering a tailor-made action plan reflecting local conditions and needs.

Please note the purpose of the Business Start Up Seed Fund Bursary of up to £1,000 is to support those who are facing financial barriers to starting up a business.

1.2 Strategic fit.

The fund links to Council's Community Plan under the following themes:

Community Planning Outcomes: All people of Causeway Coast and Glens will contribute to and benefit from a thriving economy built on a culture of growth, entrepreneurship, innovation, and learning.

The Causeway Coast & Glens area provides opportunities for all to contribute to and engage in a more prosperous and fair economy.

If your application is successful, you will be contractually obliged to provide information to Council's Labour Market Partnership Team and the Grants and Funding Unit. This will include monitoring progress and expenditure incurred, discussing challenges or obstacles and fulfilling the reporting requirements stipulated in the Letter of Offer. Please do not apply if you cannot fulfil these requirements.

Monitoring will be completed with grant recipients by Causeway Coast and Glens Labour Market Partnership after 6 and 12 months following receiving grant approval.

1.3 Level of grant award.

The Business Start Up Seed Fund Bursary can provide funding of up to £1,000. This is 100% funded and match funding is not a requirement. Funding is capped at 8 items.

Two quotes for each requested item must be provided during your application.

Funding will be allocated based on the cheaper quote.

Please ensure the quotes include all costs, including VAT and delivery costs, where applicable. If VAT and delivery charges are not included in your grant application quote, these cannot be added at a later date.

Quotes should be submitted on a word document with an image and text including price to the penny per item (see Appendix 2) or alternatively through screenshots that show where the item is from, the price (+VAT if applicable) plus the delivery costs to your location.

If quoting in a foreign currency, please complete an accurate currency conversion. If quoting a special offer, please note this will be the amount awarded.

Bursaries will be released up front; however, all successful applicants will be required to submit monitoring documents along with evidence of expenditure. Any underspend will be paid back to Council. **Candidates are reminded to retain all electronic receipts / card payment receipts for items acquired.**

This is a competitive process, and all bursary awards will be determined on the basis of merit. Each application is assessed, scored and ranked in order of their score.

Applicants are advised that those who have been successful in securing Council funding in the past will not automatically be guaranteed funding in the future.

Council reserves the right to reduce the amount of funding awarded if:

- the item is not considered to be relevant for the business
- the item is not eligible for funding (as listed in sections 1.7 and 1.8 of this document)
- the amount applied for does not represent value for money or
- if there are insufficient funds available to meet the request.

For example, if you apply for £1,000 and one of the items that costs £200 is deemed ineligible the Letter of Offer will be reduced to £800 taking into account the ineligible item.

If the total costs of the items that you request funding for does not total £1,000 you will only be funded for the total of the items requested (based on the cheaper quote).

Please Note: Successful applicants will have to provide all evidence requested once the project expenditure is complete.

All grant monies must be spent by Friday 26th June 2026 at 12.00pm noon.

All Claim return documents must be returned to

Grants@causewaycoastandglens.gov.uk before Friday 24th July 2026 at 12.00pm noon.

If you are unsure what documents, you need to return please contact the LMP on LMP@causewaycoastandglens.gov.uk.

Successful applicants will also have to retain documentation and evidence for a period of 5 years.

1.4 General principles.

Failure to upload quotes that are comparable, accurate or appropriate may result in the item not being approved. Please ensure that all quotes are clear and easy to understand.

The maximum number of different items that you can get funding for is 8.

If a quote you obtain is part of a special offer or promotional price, please ensure that this deal will still be available when you purchase the items or for at least one month after you submit your application.
