## **Annual Complaints Handling Data**

1<sup>st</sup> July 2025 – 30<sup>th</sup> September 2025

## 1.0 Complaints Handling

The information contained in the Northern Ireland Public Services Ombudsman (NIPSO)'s MCHP Parts 1-3 was adopted in full by Causeway Coast and Glens Borough Council in October 2023 to ensure it meets NIPSO's MCHP test of compliance.

Our CHP aims to provide a quick, simple and streamlined process for responding to complaints early and locally by our capable, well-trained staff. The aim is, where possible, to resolve the complaint to the customer's satisfaction. Where this is not possible, the customer should be provided with a clear and reasoned response to their complaint.

### 1.1 Reporting of complaints

Council has a process for the internal reporting of complaints information, including analysis of complaints trends. Regularly reporting the analysis of complaints information helps to inform management of areas where services need to improve.

Complaints are reported on a **quarterly** basis to senior management and the appropriate committee on:

- complaints performance statistics
- analysis of the trends and outcomes of complaints

We publish on a **quarterly** basis information on complaints outcomes and actions taken to improve services i.e. good practice and lessons learned.

An **annual** complaints performance report is published on our website in line with NIPSO requirements and provided to NIPSO (on request only). This summarises and builds on the quarterly reports to senior management we have produced about our services.

The Complaints handling procedure ensures:

- A standardised approach to dealing with customer complaints across the public sector in NI
- A simplified consistent process for customers to follow when lodging a complaint
- Staff and Customer confidence in complaints handling; and
- Encourages the Council to make best use of lessons learned from complaints

All complaints are progressed in accordance with the new internal governance procedures and in line with statutory requirements established by the Public Services Ombudsman Act (NI) 2016.

## 2.0 Definition of a Complaint

The Council's definition of a complaint is '**An expression of dissatisfaction by one or more members of the public about the Council's action or lack of action, or about the standard of service provided by or on behalf of the Council**'.

**Stage 1: Frontline Response** provides the opportunity to resolve or respond to complaints quickly and effectively. The procedure is:

Inform corporate support for logging purposes and identify service manager/ officer to deal with Stage 1 response. Aim to resolve within 5 working days (or 10 if extension is appropriate). Corporate Support will acknowledge within 48 hours from next working day.

**Stage 2: Investigation** is appropriate where the customer is dissatisfied with the frontline response. It will require a more in-depth and detailed investigation to establish the relevant facts given the complexity or serious nature of the issue. The procedure is:

Assign to a HOS/ Director for Directorate Investigation. Complaint acknowledged within 3 working days. Issues of complaint clarified, outcome sought, confirmed. Resolved within 20 working days.

### **3.0 Supporting the customer**

Causeway Coast and Glens Borough Council is committed to providing a high standard of customer service to all its citizens.

- seek to identify the root cause of complaints
- take action to reduce the risk of recurrence
- systematically review complaints performance reports to improve service delivery.

Senior management reviews the information reported on complaints regularly to ensure that any trends or wider issues which may not be obvious from individual complaints are quickly identified and addressed. Where the need for service improvement is identified, appropriate action (as set out in the Council's CHP) will be taken. Where suitable, performance in the service area will be monitored to ensure that the issue has been resolved.
