

# Coleraine

**Future Town Fund**  
Connecting People and Places

## **You're Invited: River Users Co-Design Workshop**

You are invited to take part in a River Users Co-design Workshop bringing together key river users, partners and local residents to help shape the next stage of investment and delivery along the River Bann corridor in Coleraine.

**Date: 27<sup>th</sup> May 2026**

**Time: 2.00pm – 4.00pm**

**Venue: The Lodge Hotel, Coleraine**

The workshop will be interactive, ensuring that community experience and stakeholder knowledge shape how the Blueways concept and other river based ideas are turned into action and how CFTF funding can be best targeted.

Your perspective as a river stakeholder and/or local resident would add significant value to this process, and we hope you will be able to join us to help create projects that deliver long-term lasting benefits for local people, Coleraine and the environment.

**To join us for this workshop please click the eventbrite link in the email.**

**Funded by  
UK Government**
