

Inclusive Cycling Hire Scheme

Causeway Coast and Glens Borough Council is committed to providing opportunities to experience cycling from our inclusive cycling hubs based at Joey Dunlop Leisure Centre and Roe Mill Playing Fields. Our hubs provide access to adapted bikes like hand-cycles, tandems and tricycles that allow them to give people with a wide variety of needs a chance to experience cycling.

Using an adapted cycle is a fantastic way for everyone to have fun, gain more independence and enjoy a sense of freedom. Whatever type of cycle, adaptation or support you need there is likely to be a solution. We encourage all-ability cycling for recreation, sport, exercise and even just for fun.
