PEACEPLUS is a new European Union funding programme designed to support Peace & Prosperity across Northern Ireland and the Border Counties of Ireland, building upon the previous PEACE and INTERREG programmes.

The aim is to reflect the importance of peace-building activities & the importance of actions to contribute positively to the economy, build prosperity, and adjust to the increasing challenges we face in society.

Welcome to our first edition of the PEACEPLUS newsletter! We're excited to start sharing updates on our initiatives, highlight impactful projects, key milestones, and inspiring stories from our ongoing projects and celebrate the progress we've made together as we go forward.

## THE PARTNERSHIP

### OUR LOCAL ACTION PLAN

By the end of the PEACEPLUS Programme 6,777 people throughout the area will have been engaged directly in Peace & Reconciliation activities, with many thousands more enjoying the benefits of the work that is just starting.

Through this local Action Plan the local community will be regenerated and transformed in ways which will help create a more peaceful and prosperous community throughout the Causeway Coast and Glens Borough Council area.

Speaking at the launch, The Mayor of Causeway Coast and Glens Borough Council, Cllr Ciaran McQuillan said:

"I welcome the launch of this ambitious and detailed action plan, which provides vital investment in the social, economic and environmental development of Causeway Coast and Glens Borough Council area and will support peace, stability, and sustainable prosperity into the future.

This plan is the result of an extensive co-design process, a unique approach whereby all parties to the design process are treated as equal collaborators, and the fruits of this inclusive and participatory process are clear to see in this extremely well-thought-out plan."
