PEACEPLUS Partnership Local Action Plan

PEACEPLUS, as a European Union funding programme designed to support Peace & Prosperity across Northern Ireland and the Border Counties of Ireland, will support a range of initiatives designed to promote reconciliation, build trust, and foster understanding between communities.

From beginning to end, the participants, delivery partners, and the PEACEPLUS Partnership will collaborate to nurture strong relationships and help shape a more harmonious, prosperous, and hopeful future for all.

As we move forward we look forward to getting more updates to you!

The Glens Wellbeing Group Session

The Community Skills & Employability Programme, engaging with The Glens Wellbeing Group as part of the Causeway Coast & Glens PEACEPLUS programme.

The programme held workshops held in Cushendall on 2 and 9 September, bringing participants together, aiming to support them in building confidence, developing essential life and employability skills, and taking positive steps towards their personal and employment goals.

Through tailored personal development plans, one-to-one mentoring, life coaching and group workshops, participants will be encouraged to recognise their strengths, overcome barriers and develop the resilience needed to progress towards employment.

The programme will also focus on communication, wellbeing, relationship building and good relations, helping participants develop greater understanding and respect for people from different backgrounds and communities.

It is great to see another PEACEPLUS project moving forward in its delivery, and we look forward to following its progress as activities continue over the coming months.

New PEACEPLUS Projects Showcase Plans for Delivery

The Causeway Coast & Glens PEACEPLUS Partnership recently welcomed delivery agents from four new projects to present their plans and provide an insight into how their projects will be delivered in practice across the Borough.

The presentations gave Partnership members an opportunity to hear directly from those responsible for delivery, exploring the activities planned, approaches to community engagement and the positive impact each project aims to achieve. Each delivery agent outlined how their project will work on the ground, helping Partnership members gain a clearer understanding of what participants and local communities can expect as activities get underway.

The session marked another positive step forward for the PEACEPLUS programme, highlighting the range of opportunities being developed to bring people together, strengthen relationships and encourage participation across Causeway Coast and Glens.

A big thank you to all four delivery agents for their informative and engaging presentations. The Partnership looks forward to seeing these projects come to life in the months ahead.

Partnership Profile

About me

I am currently a councillor for the Coleraine area, I am a retired police officer and have been stationed in nearly all the police stations in the North West. As a councillor I sit on the PCSP, Finance Committee, Leisure & Development Committee, Coleraine Town Team and Coleraine Neighbourhood Renewal. I sit on the boards of Causeway Coast and Glens Heritage Trust, Coleraine Future Town Fund and Community Causeway Advice.

John Wisener

Role in PEACEPLUS

I represent council on the committee. Over the past few years I have seen the conception of PEACEPLUS to the stage now when projects are starting to take off.

I have enjoyed the partnership approach and hopefully we will continue to progress this great Programme for our community.
