well advertised how to	1
unsure which service to use unless violence was used	1
unsure of the correct number to use	1
tell family member	1
Ring Police non emergency 101 emergency 999	1
Report to myself	1
Posters	1
phone 101	1
i would phone police keep numbers handy we are both and fel vulnerablee	1
I know that if I see something happening that would be considered a crime, there are numbers in which I could call to report it	1
I haven't had to report a hate crime and not sure how to	1
from family over the years	1
common sense?	1
common sense - ring the police!	1
call 999 or 101	1
because when you report a crime you are supposed to get help from government departments	1

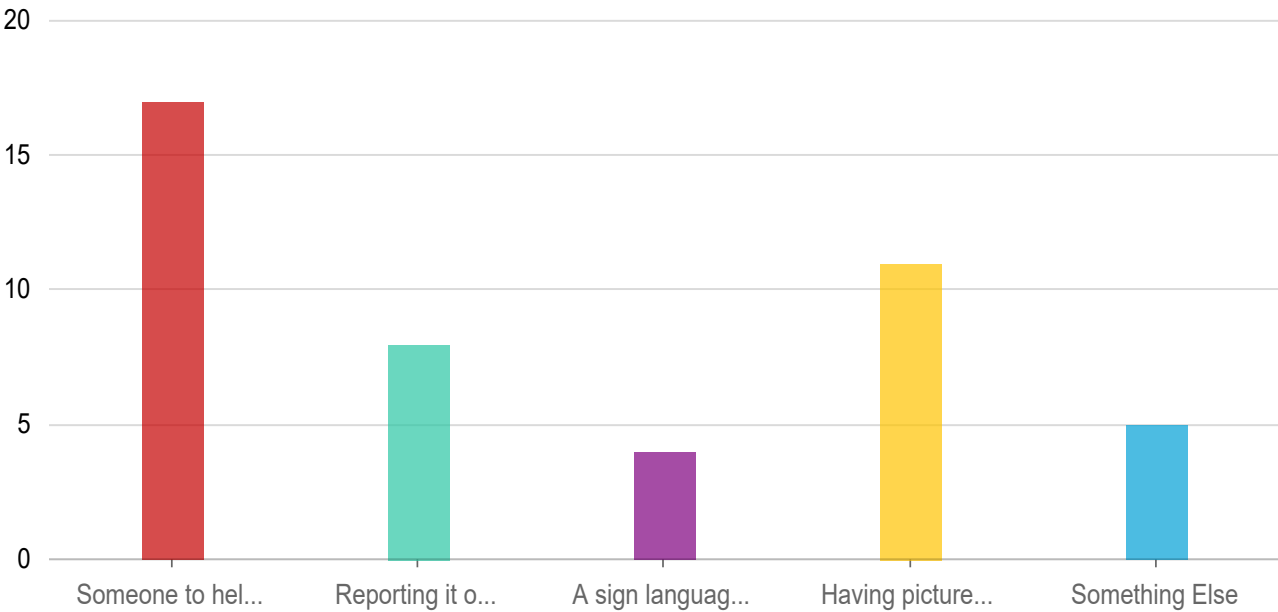

6/8/22, 11:18 AM

PCSP Feeling Safe in CCGBC (EASYREAD) - Carers

ask someone I know who works in the police to guide me	1
Alot of our service users are unsure. They never know if its right or wrong	1
101? and 999? Confusing	1

PCSP Feeling Safe in CCGBC (EASYREAD) - Carers

To speak to a person!!!!	1
People on the other end to have more knowledge	1
making it easier as give up on 101 number because waiting so long	1
makaton Text service Pictures and symbols would be useful for people with ASD and learning diffi culties communication boards	1
get rid of 101	1
Easier to get a person when reporting	1
Can be hard to get through to switchboard	1

Response	Count
windows have locks as do doors sharp objects out of sight cupboards have locks gate has lock	1
There is there comfort zone Doing there routine which is important to them	1
speeding	1
She scared of the dark and if there is people she doesn't know coming to the door She is always with someone so that helps her feel safe	1
safe location, off road community support good neighbours	1
Parents/Carers look out for them and keep them safe	1
Open the door to anyone Forgets to lock door sharing too much personal information	1
NW and good neighbours and carers	1
lives in fold	1
I think most of the members feel safe in their home but a few feel unsafe due to living in community housing with members they might not feel safe around. Most of the time they understand dangers but they might not be able to tell when someone is using them	1
home is safe environment	1
good village	1
Fold	1
dont actually know	1
because of the growing anti-social behaviours in the community and nothing is being done about and people is getting older	1
awareness of safety is limited and can change	1
Anyone could have accidents in the home. Lack of awareness Doesn't know limits sometimes	1
24hour staff available Overseen by responsible manager Audited and governed by RQIA	1

o Can you tell us why you said this?

there is a few undesirables living close to us and have shouted abuse	2
there is a few under desirables living close to us and have shouted abuse	2
to speak to a person!!!	1
Sometimes cars can drive fast in the Avenue if they are not aware children are out playing. No signs to suggest children are playing	1
some hoody youths and speeding in the area	1
Small Village and community that we live - so look out for each other	1
People would make fun of them not sure who is there for them	1
NW and good neighbours/carers	1
my child is under 5 . you never know if sex offenders or paedophiles area about as they area usually anonymous	1
low level crime is worrying	1
Lives in the country always has someone to going out with him	1
lives in fold	1
In the community it is very easy for the people I care for to be victims of hate crimes and even I don't feel 100% safe in my community as you never know who will be about or what they will say or do	1
I DONT LET CHLDREN OUT ALONE	1
good area lower crime rate	1
fast cars in 30 in town	1
easily lead, easy target, low police presence. Local bars sell to known under aged children leaving them vulnerable RTA are very high in Ballycastle area and there seems to be little being done about this protecting other road users and pedestrians	1
doesn't like crowds or shouting Scared someone will knock them over	1
cars speeding cheeky young people	1
Cars can freely come in and out unsure of all our neighbours	1
because of the growing acts of anti social behaviour in the area	1

Response	Count
more police	2
get rid of the undesirable people living closeby	2
get rd of the under desirable people living closeby	2
you really dont want my answer to this question because he government bodies are a waste of space, time and tax payers money.	1
Slower speed signs in the avenue Signs to let drivers know there are children in the area	1
see above	1
safer roads higher standards for selling alcohol to young people more education on what all crime entails police presence to have police stations reopened community police officers	1
Police on beat	1
people having more patience knowing how to talk to people with disabilities. Learning at school about disabilities	1
neighbourhood watch	1

More understanding of disabilities and special educational needs within the community	1
More police on foot	1
I think having more support for people with disabilities and having more members of the general public aware of disabilities and the difficulties they may face will help the people with disabilities feel safer in the community as they would be treated like a human.	1
he is happy with routine there is a very quiet area here	1
Have more support. More safety features in house Peoples knowledge in public and schools	1
Dont actually know	1
Child playing signs Speed limits	1
Appropriate forms of communication equality of services Access to PSNI at their level - with empathy, compassion and support Communication Boards and sensory areas in every community More understanding and information on ASD/ASHD/LD	1
