1.0 Purpose of Report

- 1.1** The purpose of the report is to provide an update on the Commemoration Programme for HM Queen Elizabeth II.

2.0 Background

- 2.1** On 5th December 2023 Council resolved to agree the following Notice of Motion:

Notice of Motion (A)

“This council acknowledges, with sadness, the recent passing of our late Sovereign Lady, Queen Elizabeth II. Pays tribute to the exemplary dignity, wisdom and diligence with which Her Late Majesty served our nation and the Commonwealth. Further acknowledges the tremendous debt of gratitude owed for the personal sacrifice and unwavering loyal devotion over her glorious 70-year reign.

This Council commits to honour and enshrine her memory in tangible commemoration across the Borough and invites council officers to present an options paper to the relevant committee for consideration in due course. This council shall also establish a sub-committee to commence preparation for the coronation of His Majesty, King Charles III.”

2.2 Notice of Motion (B)

“That Causeway Coast and Glens Borough Council recognises the exemplary 70 years of service rendered by the late Her Majesty Queen Elizabeth II, as the United Kingdom’s longest reigning Monarch.

We are also very proud that the Late Monarch visited our Borough 5 times between 1953 and 2016, in which she included the unveiling of sergeant Robert Quigg VC statue in Bushmills, within my own constituency, which was to be her last visit.

In recognition of her shining example of exemplary selfless service, we the undersigned propose that a substantial permanent memorial be commissioned and located within the Borough and be in situ before or during 2026. We believe that the memorial should depict Queen Elizabeth II during her coronation and that ideally it would be located in a prominent and visible location

We further propose that officers prepare a report, taking this matter forward, to include options for design, location, consultation with appropriate groups and identification of a suitable budget as part of the estimates process.

This Statue will be a fitting tribute by the people of the Borough to the late Monarch, whose service to our country may never be matched again.”

3.0 Commemoration Programme

3.1 The Commemoration Programme has been updated following subsequent Sub-Committee Meetings. Research is currently ongoing to obtain information and costings for various suggestions contained within the Draft Commemoration Programme as per Appendix A.

4.0 Financial Implications

4.1 Council had agreed an initial budget of £20,000 (2024/25) for delivery of the programme for Notices of Motion (a) and (b). As the Commemoration Plan continues to develop, consideration can now be given to finances as part of the Estimates process for 2025-26. An initial estimate of £40,000 has been submitted as part of the Estimates process, to cover activities planned for by this Sub-Committee.

4.2 Equality Implications

4.3 The Commemoration Programme will be screened in accordance with the Council’s Policies and Procedures.

5.0 Recommendation

5.1 **It is recommended** that the update as detailed in Appendix A is noted and that work continues by Officers in order to research costs and methods of delivery for the various activities contained in the agreed Commemoration Programme for HM Queen Elizabeth II.
