Dear Colleagues

## **AVIAN INFLUENZA PREVENTION ZONE**

You may be aware that the Department for Agriculture, Environment and Rural Affairs has declared an Avian Influenza Prevention Zone for the whole of Northern Ireland as of 17 February 2025. A link to the relevant declaration is available at [Avian Influenza Prevention Zone Declaration - 17.02.2025 1.pdf](#).

The purpose of this letter is to remind you that there are permitted development rights to permit the erection of buildings necessary for the housing of poultry and other captive birds to protect them from avian influenza.

Those rights require the developer to notify the relevant Council within 14 days of commencing development; and to remove the development once the need for it has ended, or the requirement to keep birds indoors has ended, whichever is sooner. A link to the relevant Order is available at [The Planning \(Avian Influenza\) \(Special Development\) Order \(Northern Ireland\) 2015](#).

If you have any enquiries please contact David Doherty on 028 90540563 or [david.doherty@infrastructure-ni.gov.uk](mailto:david.doherty@infrastructure-ni.gov.uk).

Yours sincerely
