#### **MULTIPLY PROGRAMME DELIVERY**

I am writing to thank you for Causeway Coast and Glens Borough Council's contribution to the success of the Multiply programme. Multiply has supported just over 10,900 individuals to boost numeracy, competence and confidence - an outstanding achievement.

In particular, I know that Chloe Stewart, Marc McGerty and Danielle McAleese played an instrumental role, and my officials have spoken warmly of their professionalism and dedication to the successful delivery of Multiply over the last year. We are hopeful that there will be a legacy from Multiply, not only in terms of the boost to numeracy skills across the north, but also in terms of the positive collaboration across a range of institutions, departments and public bodies.

Thank you to you and all your staff involved in the delivery of Multiply.

Is mise le meas
