## **1.0 Purpose of Report**

- 1.1 The purpose of this report is to seek Members approval to grant officers permission to progress to Stage 2 of the procurement gateway, 'Detailed Design & Procurement', with the resultant procurement process evaluation and recommendation brought back to Members for consideration. Thereafter, to seek approval to proceed to Stage 3, 'Construction phase' of the procurement gateway in respect of replacement waste transfer station(s) at Letterloan Composting Facility.

## **2.0 Background**

- 2.1 Approval was given to progress to Stage 1 (feasibility and outline design) of the Capital Contracts Procedure at council meeting held on 3<sup>rd</sup> December 2024.
- 2.2 The construction of new waste transfer station(s) at Letterloan Composting Facility will allow the bulking up of residual, mixed recyclable and mixed organic wastes. This will allow consolidating associated operations at one centralised location for Coleraine and Limavady waste collection operations.

## **3.0 Recommendation(s)**

- 3.1 It is recommended that Committee approve permission to progress to Stage 2 of the procurement gateway, 'Detailed Design & Procurement', with the resultant procurement process evaluation and recommendation brought back to Members for consideration. Thereafter, to seek approval to proceed to Stage 3, 'Construction phase' of the procurement gateway in respect of replacement waste transfer station(s) at Letterloan Composting Facility.
