

Public Consultation Planning Application Validation Checklist

On 01 October 2024, the Department for Infrastructure (DfI) made a Statutory Rule, The Planning (General Development Procedure) (Amendment) Order (Northern Ireland) 2024, which enables councils to publish a Planning Application Validation Checklist. The legislation comes into operation on 01 April 2025 providing councils with time to prepare and consult upon their proposed statutory validation checklists.

Causeway Coast and Glens Borough Council is seeking your views on a draft statutory Planning Application Validation Checklist. The Planning Application Validation Checklist will set out the information, plans or evidence which must be submitted with your planning application from May 2025 to make it 'valid'. The consultation response will take less than 10 minutes to complete.

The consultation period will run for 12 weeks from **27 January to 24 April 2025**. Responses received after 24 April 2025 will not be considered.
