

Addendum

LA01/2024/0444/F

1.0 Update

- 1.1 A letter of support dated 18th September 2025 has been received in relation to this application from Dr Bolan, Director of Golf Management, at Ulster University.
- 1.2 This letter advises the proposal will not only strengthen the facilities available to members and visitors but will also deliver lasting benefits to the wider Causeway Coast and Glens area. He states, Portstewart Golf Club influence extends well beyond golf itself, contributing significantly to the strength of the local economy and playing an important part in sustaining the tourism and hospitality industries that are so crucial to the region. He continues, that golf tourists contribute significantly to local hotels, restaurants, shops, and transport services, generating economic activity far beyond the Club itself. The planned improvements will ensure the Club continues to meet the highest standards expected by members, visiting golfers, and tournament organisers.
- 1.3 The Planning Department does not dispute these observations.

2.1 Recommendation

- 2.1 That the Committee note the contents of this Addendum and agree with the recommendation to approve the application in accordance with Sections 1 and 9 of the Planning Committee Report.
