- This application includes land that is not within the ownership or control of the applicant
- As I understand that, as such the owner should have received 21 days notice prior to the application being lodged, this did not occur
- The owners of adjacent properties did not receive the required neighbour notification
- This application is contrary to a number of recent, ratified decisions of Council
- There has been no assessment of the adverse impact of this proposal on adjacent businesses or residential applications, both approved and under consideration by the PACNI
- This application is contrary to the commitment given by the Council that this site would revert to an 'eco park' once the landfill closed
- There are more suitable locations, within the ownership of Council to locate such a facility
