The proposed dwelling is located at this site for health and safety reasons and to provide the efficient functioning on the existing farm holding. There has been a recent approval in Causeway Coast and Glens for health and safety reasons- LA01/2023/0117/O. There is a large number of acres of ground at this application site and there needs to be a dwelling located here so the applicant can provide and care for his animals as requested by DARD. The proposed dwelling will have existing mature hedging and trees around the site. There is limited views of this site. This site is located beside an existing cattle crush.
