Written representation summarising key points to be addressed and supplementary information in support of your case (minimum font size 10 and maximum length two sides of A4 page).

1. The cul de sac on Sunset Ridge is a very small narrow turning circle. it is unable to cope with the volume of cars parking now never mind potentially a further 4-6 cars. I am aware that while there are allocated spaces planned and in theory this is good. But realistically this will cause serious problems with visitors parking and blocking driveways
2. Access for emergency vehicles. Eg, cars blocking the road.
3. Environmental problems. sewage water and construction of the road.
4. Damage to wild life
5. Danger to children playing in the cul de sac.
