Good Afternoon

I would like to express my support for application LAO1/2023/0755 Mr Declan Mooney .

The refusal reasons that this application have are based on the concerns that HED have in relation to the listed building and the Old Road .

These concerns are generally in relation to design and the applicant is happy if planning service wish to attach design conditions to any outline approval that would make the new build sympathetic to the nearby listed building .

What is referred as The Old Road by HED is in fact not visible on the ground with development haven taken place on both sides of the old road.

Although HED suggests the historical pattern of development was on the upper side off the lane that is completely been lost over the years since the road was closed .

The biggest issue we receive day and daily is lack off houses and its vital that young people in our rural communities feel that there is something for them and they can remain in the community .

Thank you

Cllr Margaret Anne Mc Killop
