14. Notice of Motion deferred from Council Meeting held 24th November 2015, proposed by Alderman Hickey, seconded by Alderman S McKillop;

“That this Council notes the devastating impact of the planned closure of the Michelin Plant in Ballymena with the loss of 860 jobs; notes the reasons given for the closure including high energy costs and competition within the global market and further notes the cumulative detrimental economic impact to the surrounding areas and calls on this Council to explore all options within its power to support our local businesses in order to preserve the economic viability of the Causeway Coast and Glens Borough and to protect long term jobs and create new employment in this borough”.

15. Notice of Motion deferred from Council Meeting held 24th November 2015, proposed by Councillor Nicholl, seconded by Councillor Stevenson;

“That this Council agrees to: Review and where appropriate, remedy its provision of defibrillators across its entire public estate to ensure no gaps exist in adequate service provision. This needs to include our leisure facilities, Council offices, Community centres and areas of high public footfall; Undertake a programme of training for staff who have daily contact with the public in the use of Defibrillators and CPR; and The Council Chairperson in her civic role being requested to bring together charities and campaign groups working in this field along with local Chamber of Commerce Reps and other key stakeholders to shape an action plan for adequate provision of PAD’s (Publically Accessed Defibrillators) in town centre locations alongside provision in shopping centres and highly populated areas”
