Council notes that townland names form a rich part of our history but usage is diminishing and many people are often unaware of the townland in which they reside.

Council proposes that Officers bring back a paper with full costings to add townland names to all road and street signs across the Borough. To reduce cost, it is proposed that signs are updated as repair or replacement is required with an objective that all signs should be updated by 2040. Council continue to adhere to its existing policy on bilingual signs.

16. Notice of Motion Proposed by Councillor McLean, Seconded by Councillor Clarke

That in consideration of the upcoming forty-fifth anniversary of the Coleraine bombings this Council resolves to:

affirm it's solidarity with the families bereaved by the atrocity and the survivors of the attack;

organise a memorial event to mark the occasion for the families of those affected and the wider community; and

give consideration following appropriate consultation to the erection of a permanent memorial to those who lost their lives as a result of this heinous act of terrorism by the Provisional IRA.
