Council notes that townland names form a rich part of our history but usage is diminishing and many people are often unaware of the townland in which they reside.

Council proposes that Officers bring back a paper with full costings to add townland names to all road and street signs across the Borough. To reduce cost, it is proposed that signs are updated as repair or replacement is required with an objective that all signs should be updated by 2040. Council continue to adhere to its existing policy on bilingual signs.

FOR DECISION IN COMMITTEE (Item 20)

20. Future Council Cemetery Provision (report attached)
21. Any Other Relevant Business (notified in accordance with Standing Order 12 (o))
