'That this council affirms its view to support the establishment of a more effective North West Roads Corridor linking Belfast to Londonderry, including substantive dualling of the entire route.'

That is strongly lobbies those with authority to progress any agreed scheme, be it partial or entire, and to pursue any available outside monies for it with immediate effect.

In doing so council not only recognises the travel benefit to residents of the borough but the strong potential for economic growth, not least in terms of tourism, across the entire region.'

- 12.** Notice of Motion Submitted by Alderman Robinson, Seconded by Councillor Knight-McQuillan

'That this Council believes that in a pregnancy both lives matter, the mother and the unborn child. This commitment to the lives of both must be reflected in the support provided to mothers, the unborn children and their families throughout their pregnancy. This Council calls for a Perinatal Hospice Care or

service in Northern Ireland to be established to provide the best medical and emotional support for those who are faced with the diagnoses of a severe life-limiting condition.'

13. Notice of Motion Submitted by Councillor Stevenson, Seconded by Alderman Campbell

'That in the interest of inclusivity, accuracy and practicality, that the name Causeway Coast and Glens Borough Council be changed to a singular name instead of a double name attached to a particular area which is not inclusive of the entirety of the four legacy councils which amalgamated and that an equality impact assessment be carried out on the current council name if it is not changed'
