'That this Council dedicates a 'quiet time' hour in all our Leisure facilities'

17. Notice of Motion proposed by Councillor McGurk, seconded by Councillor K Mulholland

'This council recognised the positive benefits that breastfeeding can have for both the mother and baby. Calls on the council to supports the #NotSorryMums campaign run by the Public Health Agency and the

Department of Health. Further calls on the council to ensure that all councils facilities are a part of the 'Breastfeeding welcome here scheme'.

- 18.** Notice of Motion Proposed by Councillor McLean, seconded by Alderman Finlay

'That Council review the policy around the 'Citizen's Newsletter' with a view to making the publication more cost effective.

"After receiving a number of complaints from local people regarding Council's "Citizens' Newsletter", I have been prompted to investigate its' usefulness.

The cost associated with design and distribution of the magazine across the Borough equates to approximately £18,348 per edition. Over 60% of this cost relates to distribution. In the 21st century, there are more cost effective ways of communicating with citizens, by perhaps utilising our website and social media more effectively. A significant reduced print run could be distributed in a targeted manner across the Council's public buildings, as well as in libraries, doctors' surgeries, schools and churches.

Councillors who are engaged with their community also provide a means of communicating with the local population.

Bearing in mind these factors it seems only sensible Council reviews this expensive means of communicating with Citizens of the Borough'.

D H Jackson
Chief Executive
Causeway Coast and Glens Borough Council
