*“This Council notes recently published research from the charity CARE NI that found 445 attacks have been recorded on places of worship in Northern Ireland in just the last 3 years. It notes with concern that 12 of these despicable attacks were recorded in the Causeway Coast & Glens policing district; unreservedly condemns all attacks on places of worship, no matter what faith or denomination, and upholds the important human right for individuals to be free to worship and live out their faith in this society. This Council also notes the operation of the Places of Worship Security Scheme in England and Wales and expresses regret that a similar scheme is not available in Northern Ireland. This Council therefore agrees to write to the Department for Communities and the Northern Ireland Office calling for the swift introduction of a similar scheme locally. “*

11. Notice of Motion proposed by Councillor Hunter seconded by Alderman Hillis (referred from Council Meeting 3 December 2019)

*“That this Council supports a feasibility study in relation to the funding and installation of a MUGA in the village of Dervock to improve the physical and mental wellbeing of our constituents.
