Right to Food Motion

This council recognises the impact the scourge of food poverty is having on families right across this area, made worse by the cost of living emergency, and gives its formal backing to the Right To Food campaign, joining cities like Belfast, Derry and Liverpool in becoming a Right To Food Council.

We believe that this Executive and the British Government must prioritise food poverty, implementing a range of new measures including universal free school meals, support for community kitchens and enshrining the Right To Food for all through legislation.

This council will also write to the Minister for Communities, calling for immediate action on the implementation of an anti-poverty strategy.

21. Notice of Motion proposed by Alderman Fielding, seconded by Alderman S McKillop

That this Council lobbies the LINK Network to request a review and assessment of the community needs in Portstewart for a Banking Hub in the town.
