12. Notice of Motion Proposed by Councillor MA McKillop, seconded by Councillor Schenning

Nip in the bud motion

That this council notes the importance of farmers and rural dwellers in our society.

Recognises that farmers, agricultural workers and people living in rural communities, can have lower access to cancer services due to the nature of their work and often living in isolated areas.

We also recognise the impact that a cancer diagnosis can have on family business such as a family farm, including housing the extended family and the welfare of livestock.

Endorses the Nip in the Bud campaign delivered by the farming community networking partnership with MacMillan cancer support and acknowledges the benefits of the rural community.

Pledges to do all we can to raise awareness and save lives, particularly using our social media platforms, to help rural dwellers in this council area be aware of symptoms of cancer and to seek immediate medical advice if necessary as evidence demonstrates that early diagnosis and treatment can save lives."

FOR CONFIDENTIAL CONSIDERATION (Items 13-16 inclusive)
