The report provided further information under the following headings:

- Background

- Event Schedule 2026
- Planning Requirement for the delivery of the NI International Airshow

Options for Consideration

It was initially hoped that it would be possible to combine Armed Forces Day with the International Airshow into one joint event, in order to combine resources, however it is now apparent that the Red Arrows will not be available in June 2026, therefore this is no longer a viable option. With the above information factored for, Elected Members are asked to give consideration to the following options:

Option 1

Planning and resource allocation is assigned for the delivery of the Northern Ireland International Air Show – preferred dates 5 & 6 September 2026.

Options 2

Planning and resource allocation for the Northern Ireland International Airshow is assigned for a future date, possibly in 2027 or beyond.

Recommendation

Elected Members are asked to consider the two options provided and make a recommendation with regard to the Northern Ireland International Air Show.

- * **The Chair called a recess at 8pm to allow Officers to resolve technical issues.**
- * **The meeting resumed at 8.10pm.**

Councillor Huggins proposed Option 2, with the future date proposed as 2028. She stated that this would allow for three years of planning and allow Council Officers to focus on Armed Forces Day 2026 and the America250 celebrations. She requested that a monthly progress report on Armed Forces Day is brought to the Leisure and Development Committee, beginning next month. She further requested that a monthly progress report on the Air Show is brought to the Leisure and Development Committee for the 12 months leading up to the event. In response to a request for clarification from the Head of Tourism and Recreation, Councillor Huggins confirmed that these would be “for information” reports.

Councillor Elder seconded the motion.

Councillor McGurk stated that Council's Events Team works incredibly hard and welcomed the consideration given to their limited resources. She stated that her party group has concerns about the overall cost of the Air Show and the value for money of the event. She proposed that, after the next Air Show is completed, Council should undertake a review of the value for money of the event and whether it is providing a return on investment for the Council. She noted that previous reports had stated that Council should be focusing on growing independently-run tourism events.

Councillor N Archibald seconded this proposal.

Councillor Huggins requested a short recess.

19. NOTICE OF MOTION PROPOSED BY ALDERMAN MCAULEY, SECONDED BY COUNCILLOR STOREY

The Joey Dunlop 25 Celebration was a special occasion that brought thousands of people to Ballymoney from across the world to celebrate and remember Joey Dunlop OBE MBE a legend in motorcycle racing and a citizen and Freeman of our Borough of whom we are rightly proud.

We therefore propose that Council officers now explore options in conjunction with the Dunlop Family to create a permanent exhibition of memorabilia, in a way that reflects our appreciation for the life, legacy and memory of Joey Dunlop OBE MBE.

Councillor Elder introduced the motion, stating:

“The recent Joey Dunlop 25 Celebration demonstrated not only the enduring love and respect held for Joey Dunlop OBE MBE, but also the unique place he holds in the hearts of people in Ballymoney, across Northern Ireland, and indeed throughout the world. Thousands came to our town to remember a man whose sporting achievements and quiet humility made him a legend both on and off the track.

Joey was not only one of the greatest motorcycle racers in history, but also a citizen and Freeman of this Borough. His dedication, generosity, and humanity have left a legacy that transcends sport. It is right and fitting, therefore, that we as a Council explore, in partnership with the Dunlop family, the creation of a permanent exhibition of memorabilia. Such an exhibition would not only preserve and celebrate Joey’s life and achievements but also serve as an inspiration for generations to come, while attracting visitors from far and wide to our Borough.

This is about honouring a man we are rightly proud of – someone whose name and legacy will forever be synonymous with Ballymoney. I commend the motion to the Chamber and encourage full support from all Members.”

Councillor Wilson echoed the sentiment of the motion and stated that Council should work with the Dunlop family and the road racing fraternity to develop this exhibition.

Alderman Stewart reflected on Joey Dunlop’s legacy. He stated that more should be done to strengthen links with Douglas on the Isle of Man, the sister town of Ballymoney, whose Mayor attended the Joey Dunlop 25 event in Ballymoney. He cited previous and upcoming events at Ballymoney Museum and commended Council’s Museums team for their work there. He stated that Members look forward to seeing a range of

options presented to the Committee on how a permanent exhibition of memorabilia may be facilitated within Ballymoney.
