1.0 **Purpose of Report**

- 1.1 The purpose of the report is to provide an update on the Commemoration Programme for HM Queen Elizabeth II.

2.0 **Background**

- 2.1 On 5th December 2023, Council resolved to agree the following Notice of Motion:

Notice of Motion (A)

“This council acknowledges, with sadness, the recent passing of our late Sovereign Lady, Queen Elizabeth II. Pays tribute to the exemplary dignity, wisdom and diligence with which Her Late Majesty served our nation and the Commonwealth. Further acknowledges the tremendous debt of gratitude owed for the personal sacrifice and unwavering loyal devotion over her glorious 70-year reign.

This Council commits to honour and enshrine her memory in tangible commemoration across the Borough and invites council officers to present an options paper to the relevant committee for consideration in due course. This council shall also establish a sub-committee to commence preparation for the coronation of His Majesty, King Charles III.”

2.2 **Notice of Motion (B)**

“That Causeway Coast and Glens Borough Council recognises the exemplary 70 years of service rendered by the late Her Majesty Queen Elizabeth II, as the United Kingdom’s longest reigning Monarch.

We are also very proud that the Late Monarch visited our Borough 5 times between 1953 and 2016, in which she included the unveiling of sergeant Robert Quigg VC statue in Bushmills, within my own constituency, which was to be her last visit.

In recognition of her shining example of exemplary selfless service, we the undersigned propose that a substantial permanent memorial be commissioned and located within the Borough and be in situ before or during 2026. We believe that the memorial should depict Queen Elizabeth II during her coronation and that ideally it would be located in a prominent and visible location

We further propose that officers prepare a report, taking this matter forward, to include options for design, location, consultation with appropriate groups and identification of a suitable budget as part of the estimates process.

This Statue will be a fitting tribute by the people of the Borough to the late Monarch, whose service to our country may never be matched again."

3.0 Commemoration Programme

- 3.1 As detailed in the Commemoration Programme attached at Appendix A, Members had previously asked that the idea of a modern style silhouette of the late Queen Elizabeth II with Paddington Bear and her beloved Corgis be explored.
- 3.2 As Members will be aware, the Northern Regional College has agreed to partner with the Council on this project.

Representatives from the Northern Regional College agreed to arrange a site meeting with the Chair of the Commemoration and Celebration Sub Committee to discuss further.

This meeting is in progression and an update will be provided going forwards.

- 3.3 As previously agreed by Elected Members, a procurement exercise was carried out for the design and supply of an interior and exterior option using the following specifications:

Indoor:

- Size: 1000mm x 330mm
- Style: Cameo
- Material: Formed Epoxy Resin
- Location: Coleraine Town Hall
- Inside

Outdoor:

- Size: 3000mm x 1000mm
- Style: Queen Elizabeth's Favourite Flower - Rose
- Material: Corten Steel
- Location: TBC
- Outside.

However, the procurement department received no responses from the procurement exercise. Members may wish to consider working with Ulster University or Northern Regional College in relation to progressing this project.

4.0 Financial Implications

- 4.1 Council has agreed a budget of £40,000 (2025/26) to continue with the delivery of the programme for Notices of Motion (a) and (b) and to cover activities planned for by this Sub-Committee.

5.0 Equality Implications

- 5.1 The Commemoration Programme will be screened in accordance with the Council's Policies and Procedures.

6.0 Recommendation

- 6.1 **It is recommended** that the information as detailed in Appendix A is noted and that work continues by Officers in order to research costs and methods of delivery for the various activities contained in the agreed Commemoration Programme for HM Queen Elizabeth II.

Members may wish to consider working with Ulster University or Northern Regional College in relation to progressing this project.

Commemoration and Celebration Sub-Committee

Commemoration Programme

The role of the Sub Committee is to act as an advisory group, supporting the development of a proposed programme of activity to recognise commemorative and celebratory occasions.

- To identify resource requirements to deliver an agreed programme of activity and commemoration;
- To share best practice in terms of wider initiatives and approaches;
- To promote co-ordination and collaboration in terms of delivery of a range of activity, avoiding duplication of effort.
