5 Have you any views on the indicative minimum criteria for Alternative Accommodation outlined in Annex C? If so, please specify below.

Please give us your views:

Yes, Criteria should include:

- Environmental impact mitigation (e.g., waste disposal, visual impact).
- Limits on clustering to prevent over-development in rural areas, especially in visually-sensitive landscapes.

6 Do you have any views regarding the naming of the Alternative Accommodation category, i.e. do you feel another category name would provide a more appropriate description of the styles of properties/establishments proposed to be certified under it? If so, please specify below.

Please give us your views:

"Alternative Accommodation" seems appropriate.
