**15. NOTICE OF MOTION PROPOSED BY ALDERMAN CALLAN SECONDED BY COUNCILLOR ELDER**

*That Council instructs officers to develop a comprehensive submission to the UK Town of Culture 2028 competition on behalf of Limavady, with the objective of positioning the town as a strong candidate for this prestigious national award.*

Alderman Callan introduced the motion and advised that it was being heard at Council to allow Officers enough time to prepare a submission for the UK Town of Culture competition deadline of 31 March 2026.

Alderman Callan spoke about the effect of such a distinction for an area, citing the example of Londonderry UK City of Culture in 2013, which created overnight stays, generated additional spend, higher hotel occupancy, and boosted the city's image as a place to visit and invest. He stated that it raised pride and confidence among the local community. He noted that Derry City and Strabane District Council have been able to leverage further investment in the area as a result.

He stated that Limavady has a very distinctive cultural story, with a deep heritage from the Plantation to the present day and noted that it is the birthplace of the Londonderry Air, also known as Danny Boy. He stated that Limavady has a well-established arts and cultural centre in the centre of town and key events throughout the year, such as the Steinbeck Festival and the Stendhal Festival. He mentioned the huge range of local groups who are very active in the area, such as churches, bands, schools, community groups, and sporting organisations.

Alderman Callan stated that Limavady ticks the box for each of the criteria for the UK Town of Culture: culture for everyone; making it happen; and your story. Limavady has a compelling story around music, myth, and the heritage of the local area. Limavady has a strong heritage and history in cross-community work and participation in a wide range of festivals and organisations, both rurally and in the town. Limavady punches above its weight in making things happen in the

local area, with the arts and culture centre being one of the most visited centres in Northern Ireland.

Alderman Callan stated that the motion asks that Council gets Officers to immediately commence preparation of the expression of interest, by engaging with key stakeholders across a range of sectors to build a shared vision and to leverage the cultural assets of the area. He stated that Officers should work alongside the different organisations to design an expression of interest that showcases Limavady's strengths while addressing the local needs. This will lend itself to future regeneration, health and wellbeing, as well as cultural development.

He noted that there is not much cost involved in developing the expression of interest, and that if shortlisted, resources would become available from the Department. He detailed the financial benefits of progressing in the competition, with £60,000 to build a business case for shortlisted applications, and a reward of £3.5 million for the successful applicant. National recognition as the first UK Town of Culture would position Limavady as a centre of excellence for culture heritage in Northern Ireland. He asked Members to support the motion that Limavady is submitted for the UK Town of Culture 2028.

Councillor Chivers expressed her support for the motion. She stated that achieving the Town of Culture for Limavady would bring much-needed economic benefits through increased tourism and footfall. She stated that Council should make more of the fact that Limavady is the home of Danny Boy, recalling that the old Limavady Council had the Danny Boy Festival and suggested that it be revived. She stated that the motion is a brilliant idea for Limavady, and that Limavady has a lot to offer.

Councillor Elder stated that she was delighted to second the motion in support of this ambitious step for Limavady, as it celebrates our culture and brings communities together and shapes a confident and positive future for the town.

Councillor Schenning expressed her support for the motion.

Councillor Mairs expressed her support for the motion and stated that Limavady's cultural strength doesn't just lie in the rich landscapes and the sceneries, but in the people who put in the effort, the energy and the commitment to the local area. They give their time to the arts, music, to community-driven initiatives that bring generations together, to our heritage and to local businesses that enrich and strengthen our local identity. She stated that the community effort in Limavady contributes towards its vibrant culture and makes it a very strong and credible candidate for this award.

Proposed by Alderman Callan

Seconded by Councillor Elder and

**RESOLVED** – to support the Notice of Motion.

This being all the business, the Mayor thanked everyone for their attendance and the meeting concluded at 7.31pm.
