1.1 Background

Causeway Coast and Glens Borough Council adopted the traditional committee system as its preferred form of governance and, at its Special Council Meeting in September 2019, decided to form a Finance Committee. This report sets out the Terms of Reference for that Committee. Part of the implementation of the extraordinary audit requires that these terms be reviewed annually, the last review occurred at the September 2025 committee.

1.2 Scope

- Monthly review of the management accounts; to include a summary by service area of income and expenditure, with commentary of positive or negative outcome on their budgets;
- Setting key finance targets and monitoring their delivery, including efficiency and income generation;
- All capital and resource expenditure to be reviewed by the committee before going to full council;
- To revise and manage the limits of authority on Officer spend;
- To investigate, review and set targets for efficiencies and income for each department.
- To implement and review a 3 year rolling budget/forecast
- Recommend the annual limit of capital expenditure and reviewing debt/borrowing on a quarterly basis;
- Oversight of Council’s treasury management;
- Seek external expertise as required;

- Approving and overseeing the delivery of any relevant service strategies for the Finance Service;
- Approving relevant policies and procedures for the Finance Service;
- Monitoring and reviewing business and service delivery plans for the Finance Service;
- Approving the establishment of external partnerships where considered relevant to the Finance Service, including procurement of advice, review and investigation of Council finances, recommending efficiencies where appropriate;
- Approving and monitoring the implementation of any capital projects by the Finance Service, including related ICT systems;
- Approving and monitoring funding sources and mechanisms to assist with various initiatives, projects and actions within the remit of the Finance Service;
- Recommending to Council the resolution of any associated issues;
- Considering the resource implications of any recommendations;

- To review the annual statement of accounts. Specifically, to consider whether appropriate accounting policies have been followed and whether there are concerns arising from the financial statements or from the audit that need to be brought to the attention of the Council;
- Require the attendance of any officers as required;
- Receive a rolling programme of finance related presentations from all service areas.
