

Causeway Coast & Glens Borough Council

To: Environmental Services Committee

Title: Kerbside Recycling Contract

For information

Linkage to Corporate Plan	
Strategic Priority	
Objective	
Lead Officer	Aidan McPeake
Cost: (If applicable)	Circa £870,000 per annum

1.0 Background

- 1.1** Causeway Coast and Glens Borough Council provide a Kerbside Recycling Service (Blue Bin) to all households within the borough.
- 1.2** The materials collected within the blue bin are bulked up at Councils transfer stations at Craighulliar, Limavady and Ballymoney. Council collect approximately 10,000 tonnes per annum.
- 1.3** Council require for these materials to be collected, processed and transferred to end users to ensure that the appropriate recycling rate is achieved.
- 1.4** The recent long term contract to collect, process and transfer these materials ended on the 1st October 2015. Council has been using a short term weekly contract at a cost of £65 per tonne. An interim contract has now been tendered and will be used until a long term contract is assessed and evaluated by the North West Region Waste Management Group (NWRWVG).
- 1.5** This interim contract will initially be for a 3 month period with optional monthly extensions up to a maximum of 12 months.
- 1.6** Membership of the NWRWVG consists of Causeway Coast and Glens Borough Council and Derry City and Strabane District Council.
- 1.7** The interim contract was sent to 3 companies namely Regen Waste Ltd., Recyco and Bryson Recycling.
- 1.8** 2no companies returned tenders and both Regen Waste Ltd. and Recyco passed the completeness check. The prices submitted are outlined below.

1.9

Potential Provider	Evaluation Price
Regen Waste Ltd.	£77.95 per tonne
Recyco	£83.00 per tonne

2.0 Recommendation

It is recommended that Causeway Coast and Glens Borough Council award the interim contract for the collection and processing of Kerbside Recyclables (Blue Bin) to Regen Waste Ltd.
