

Addendum 5

LA01/2023/0008/F

1.0 Update

- 1.1 Since the publication of Addendum 4, a further objection has been received bringing the total number of objections to 1420.
- 1.2 The objection is a copy of previous objections received and does not raise any new issues. The issues included in the letter relate to the visual impact of the turbines on Benbradagh and the AONB, including the cumulative impact with existing turbines, the impact of the proposal on the walkway which crosses in proximity to the proposed site, the wider social, economic and political impact of the proposal on the area, and the impact of the proposal on human rights and equality. These issues have already been considered in Addendum 4.

2.0 Recommendation

- 2.1 That the Committee note the contents of this Addendum and agree with the recommendation to approve the application in accordance with Paragraph 1.1 of the Planning Committee report (Addendum 4 refers).
