<p><b>Written representation summarising key points to be addressed and supplementary information in support of your case (minimum font size 10 and maximum length two sides of A4 page).</b></p> <p>I wish to express my support for planning application LA01/2024/1283/O relating to the proposed infill development on Dunboe Road, Castlerock.</p> <p>This application presents a logical and appropriate infill opportunity within an existing built-up frontage, with no objections from statutory bodies or neighbouring residents. The proposal would allow the applicant's family—long-standing and active members of the local community—to build on established family land, supporting generational continuity and contributing positively to the local housing supply during a period of significant housing pressure along the North Coast.</p> <p>Based on the site context and the absence of any adverse impacts, I believe this is a case where the committee could reasonably overturn the recommendation for refusal and grant approval.</p> <p>Thank you for your consideration</p>
