Dear Alderman/Councillor,

As a deeply concerned resident of the Causeway Coast and Glens council area, I am writing to urge you to defend the interests of local people and protect our natural environment.

I acknowledge and appreciate your decision to refuse the proposed windfarm at Magheramore. However, it is both shocking and extremely worrying that the council's decision to refuse the proposed wind farm at Magheramore/Banagher Glen has been overturned by the PAC.

This has caused grave concern and deep unrest within the local community.

The decision is widely viewed as unethical, disrespectful to council, and dismissive of the people you represent. It sets a dangerous precedent and demonstrates a clear disregard for the authority of local councillors and the expressed wishes of the community, in favour of a destructive and highly damaging wind farm development in Banagher/ Magheramore.

I therefore strongly urge you to call for a complete moratorium on this development and to instigate a Judicial Review against the PAC decision at the forthcoming council planning meeting on Wednesday, 27th August.

Yours faithfully  
Bronagh Mackle
