	<p><b>17.2 Air Show Parking (Alderman Hillis)</b></p> <p>The 2017 Portrush Airwaves air show has been another great success however I would like to enquire what steps are going to be put in place during the 2018 Airwaves to prevent a recurrence of the problems created by many members of the public parking their cars in the Ballywillan Cemetery car park and using the car park and cemetery as a viewing point during the air show. This has resulted in residents wishing to visit loved ones graves being unable to get into and out of the car park as well as the depositing of litter and an element of anti-social behaviour.</p>	<p><b><i>Officers to ensure Council's Cemeteries and associated car parks are not used as event car parking in the future. This action will be incorporated into the relevant event Parking, Traffic and Transport Plan</i></b></p>
